SOURCE & USE

This reference is based on the Champion rules in the user-provided DC20 Beta 0.10.5 rulebook. It reorganizes the class table, Level 1-6 features, subclasses, and class talents into a compact table-friendly format. Use the rulebook as authority if a later rules update changes wording or values.

MARTIAL CLASS

Champion

Champions are weapon and armor specialists that push themselves to the limit in combat. They master a wide variety of weapon types and learn their enemies as they fight them.

CHAMPION CLASS TABLE

Lvl	HP	Attr	Skill	Trade	SP	Man.	Features
1	+8				+2	+2	Class Features
2	+2						Class Feature, Talent, Path

5	+2	+1	+2	+1	+1	+1	Class Feature
6	+2					+1	Talent, Path

STARTING EQUIPMENT

- Choose 3 Weapons or Shields.
- 1 set of Armor.
- Choose 1 Trade Tool: Carpenter, Cartographer, Gaming Kit, or Mason.

CHAMPION PATH

- Combat Training: Weapons, All Armor, All Shields.
- Maneuvers Known and maximum Stamina Points increase according to the Champion Class Table.
- Stamina Regen: Once per Round, when you perform a Maneuver, regain up to half your maximum SP.

Level 1 Class Features

MASTER-AT-ARMS

- Weapon Master: At the start of each turn, freely swap any Weapon currently wielded in each hand for another Weapon without provoking Opportunity Attacks.
- Maneuver Master: Learn 1 Maneuver. Once per Round when you perform a Maneuver, reduce its SP cost by 1.

FIGHTING SPIRIT

- Combat Readiness: At the start of your first turn in Combat choose Fortify or Advance.
- Fortify: Gain the benefits of Dodge and ADV on the next Save you make until the end of Combat.
- Advance: Gain the benefits of Move and ADV on the next Martial Attack or Physical Check until the end of Combat.
- Second Wind: Once per Combat when you start your turn Bloodied, regain 2 HP and 2 SP.

KNOW YOUR ENEMY - FLAVOR FEATURE

- Spend 1 minute observing/interacting outside Combat, or 1 AP in Combat. Choose Might, Agility, PD, AD, or HP. Make a DC 10 Knowledge or Insight Check. Success: learn whether that stat is higher, lower, or the same as yours.

Levels 2-6 Class Features

LEVEL 2 - ADAPTIVE TACTICS

- When you roll Initiative and at the end of each turn, gain a d8 Tactical Die if you do not already have one.
- Assault: Add the die to a Martial Attack result.
- Deflect: When Attacked, subtract the die from the Attack result.

LEVEL 3

- Choose Hero or Sentinel as your Subclass.

LEVEL 4

- Gain 1 Talent, Path Progression, and 2 Ancestry Points.

LEVEL 5 - EXPERT CHAMPION

- Master-at-Arms: Learn 2 additional Maneuvers.
- Fighting Spirit: Second Wind restores an additional 2 HP and 2 SP.
- Adaptive Tactics: Tactical Die becomes d10.

LEVEL 6

- Gain 1 Talent and Path Progression.

Subclasses

HERO - HERO'S RESOLVE

- Adrenaline Boost: After Second Wind, gain +5 to Martial Attacks and Martial Checks until end of turn.
- Cut Through: Martial Attacks that score Heavy Hits ignore the target's Physical Resistances.
- Unyielding Spirit: While Bloodied, gain 1 Temp HP at the start of each turn.
- Adventuring Hero: Ignore Forced March and Encumbered penalties, but not Heavily Encumbered.

SENTINEL - STALWART PROTECTOR

- Steadfast Defender: Use Deflect against any Attack targeting a creature within your Melee Range.
- Defensive Bash: When a Defensive Maneuver is used as a Reaction against an Attack from within 1 Space, attacker makes a Physical Save vs your Attack Check; Failure: push 1 Space or Taunt until end of its next turn.
- Not on my Watch: Creatures Taunted by you deal 1 less damage to targets within 1 Space of you.
- Vigilant Watcher improves remaining on watch during a Long Rest.

Class Talents & Quick Reference

CHAMPION'S RESOLVE

Requirement: Adaptive Tactics, Level 3. Assault also adds +1 damage. If Deflect causes a Miss, the Attacker takes 1 Physical damage of your choice.

DISCIPLINED COMBATANT

Requirement: Fighting Spirit, Level 3. Once on each turn spend 2 SP to gain Combat Readiness; Second Wind can be used without being Bloodied.

LEVEL 1 AT A GLANCE

- Base class HP: +8.
- Maximum SP at Level 1: 2.
- Maneuvers Known: 2 from table + 1 from Maneuver Master = 3.
- Training: Weapons, All Armor, All Shields.
- Level 1 SSL = Combat Mastery = 1.
- Performing a Maneuver triggers Champion Stamina Regen once per Round.
- Maneuver Master can reduce a Maneuver cost by 1 SP once per Round.

TABLE RHYTHM

Use Maneuvers aggressively because they fuel Stamina Regen; Fighting Spirit gives a strong first turn and Second Wind is your recovery.
