

COMMANDER

Turn Cheat Sheet

4 AP Actions & Reactions	2 SP Level 1 pool	2 MANEUVERS Known at Level 1	CALL 1 AP + 1 SP
------------------------------------	-----------------------------	--	----------------------------

WHAT CAN I DO ON MY TURN?

MOVE	1 AP
Move up to your Speed. You may split the movement before and after another Action.	
ATTACK	1 AP
Make 1 Attack Check with a legal attack.	
HELP	1 AP
Give an ally a d8 Help Die for one declared Check type until the start of your next turn.	
DODGE	1 AP
Next Attack or Grapple against you has DisADV. +1 AP = Full Dodge.	
DISENGAGE	1 AP
Opportunity Attacks against you have DisADV. +1 AP = immunity to them.	
HIDE	1 AP
Stealth Check vs Passive Awareness of creatures that cannot see you.	
GRAPPLE / SHOVE / DISARM	1 AP
Use the appropriate contested Check to control a nearby creature or object.	
OBJECT	1 AP
Drink/administer a potion, work a lock or trap, transfer an item, or throw an item.	

MARTIAL OPTIONS

Maneuver: Spend the listed AP and any required SP. At level 1 your Stamina Spend Limit (SSL) is normally 1. You can also add Martial or Maneuver Enhancements before the Check.

Opportunity Attack: With the Martial Path, when a creature you can see leaves your Melee Range or performs certain item interactions in your reach, spend 1 AP as a Reaction to make a Melee Martial Attack.

MINOR ACTIONS

Once per turn, perform up to 2 without AP: open/close a door; grab/release; retrieve/stow; draw/sheathe. Extra Minor Actions cost 1 AP.

COMBO MANEUVER

If you see an SP Effect you know and its Performer or a target is within 2 Spaces, you can react by paying AP equal to its base AP cost. The effect gains +2 to its Check and Save DC, and you may add SP Enhancements up to your own SSL.

COMMANDER'S CALL - LEVEL 1

Spend 1 AP + 1 SP to command a willing creature you can see within 5 Spaces that can also see or hear you. The ally immediately takes one command as a free Reaction. Each command can be used only once on each of your turns.

ATTACK	Free Reaction
The ally makes an Attack with ADV. They cannot spend AP, SP, MP, or other resources on that Attack.	
DODGE	Free Reaction
The ally takes the Full Dodge Action.	
MOVE	Free Reaction
The ally moves up to their Speed without provoking Opportunity Attacks.	

INSPIRING PRESENCE - LEVEL 1

Once per Round during Combat, when you spend SP, restore 1 HP to one creature within 10 Spaces (including yourself) that can see or hear you. If they are on Death's Door, restore 1 additional HP.

STAMINA REGEN

Once per Round, regain up to half your maximum SP when you grant a creature a Help Die. This makes Help and Bolster important ways to keep your Stamina flowing.

COMMANDING AURA - LEVEL 2+

BOLSTER	1 AP
Help a creature in your 5 Space Aura with an Attack. You can also do this as a Reaction when a valid target makes an Attack.	
RALLY	1 AP
Creatures of your choice in the Aura, including yourself, gain 1 Temp HP.	
REINFORCE	1 AP Reaction
When a creature in your Aura is targeted by an Attack, impose DisADV on that Attack.
